THE DATA

10

Building Inspection Firms (2022)

Hilton Head Island-Bluffton-Port Royal, SC has 10 firms in the NAICS 541350 category.

This figure reflects a robust construction ecosystem, with inspections serving a growing residential and commercial development pipeline. The number is not just a count—it signals regulatory maturity, investor confidence, and a sustained pace of project completion in the Lowcountry.

01

Inspection density signals market maturity

This is not a sign of slowing activity, but of scaling responsibly. The market is now attracting professionals who bring standards, not just permits.

02

High inspection count, low growth risk

The correlation between inspection density and long-term market health is not coincidental—it’s structural. Hilton Head’s ranking is a proxy for resilience, not just activity.
