THE DATA

18%

Increase in Active Listings

San Antonio MSA active listings have significantly increased year-over-year, providing more choices for buyers.

This substantial rise in available homes indicates a shift towards a more balanced market, offering buyers greater selection and potential negotiation power. This trend empowers those looking to purchase property in the region.

01

Expanded Choices for San Antonio Home Seekers

With a notable increase in active listings, prospective buyers in San Antonio now have a wider array of properties to consider. This expanded selection allows for more thorough comparison and the opportunity to find a home that perfectly aligns with their needs and preferences.

02

Seller Concessions Create Added Value

The current market environment sees sellers increasingly willing to offer incentives, including closing cost credits. This provides a tangible advantage for buyers, potentially reducing upfront expenses and making homeownership more accessible in the San Antonio MSA.
