THE DATA

18%

Increase in Single-Family Housing Starts

Williamson County saw a significant year-over-year increase in Q2 2026.

This substantial rise in new home construction underscores the region's ongoing growth and efforts to expand housing availability. It indicates robust builder confidence in the Williamson County market.

01

Meeting Demand in Williamson County's Growth Corridors

The surge in housing starts directly responds to the influx of new residents and job growth in areas like Liberty Hill and Hutto. This expansion is crucial for maintaining a healthy housing supply for the growing population.

02

Economic Ripple Effects from New Construction

Increased building activity generates significant economic benefits, including job creation in construction and related industries. This growth contributes to the overall economic vitality of Williamson County cities such as Taylor and Round Rock.
