ALEX Real Estate / Investors

Invest in Central Texas real estate with ALEX

ALEX works with investors buying and selling residential, commercial and land property in Central Texas, and ALEX Investments invests alongside its clients rather than against them. Program terms are on the ALEX Investments page; this page covers how ALEX finds and evaluates the property.

What ALEX does for you

- Property search across residential, commercial, farm, land and ranch
- Valuations from the ALEX Model, with comparables and assumptions shown
- Rent and resale analysis before you offer
- Co-investment through ALEX Investments
